IBM POWER SYSTEMS ELEARNING

Interskill Learning has offered the computing industry's finest e-learning solutions for over 20 years. The following list of IBM Power Systems e-Learning Courses provides an 'at-your-fingertips', globally accessible training resource of unmatched currency, convenience and value.

IBM Power Series - IBM i Curriculum

IBM i Fundamentals Series

IBM i Fundamentals	5 hours
Introduction to IBM i for System Operators	5 hours
Monitoring and Managing IBM i Workloads	4 hours

IBM i System Administration Series

IBM i System Administration Fundamentals	5 hours
Security Implementation	4 hours
Journal Management	5 hours
Storage Management	3 hours
Logical Partitioning and Virtualization	4 hours

IBM i Programming Fundamentals Series

CL Programming	8 hours
CL Programming Functions and Messaging	4 hours

IBM i RPG Series

RPG/400 Introduction	6 hours
RPG/400 Coding	4 hours
RPG/400 Programming	4 hours
RPG/400 Workstation Programming Intro	5 hours
RPG/400 Advanced Workstation Programming	6 hours

IBM i Query Series

Database Basics and the Need for Query	4 hours
Creating a Simple Query	6 hours
Advanced Query Features and Management	6 hours

IBM i Application Programming Introduction Series

DB2 for IBM i - Introduction for Programmers	3 hours

DevOps and Agile Curriculum

DevOps Fundamentals	2 hours
Agile Fundamentals	1 hour

IBM Power Series - AIX Curriculum

AIX Fundamentals	5 hours
AIX Fundamentals for UNIX System Admins	6 hours
AIX Virtualization, VIO Server & Management	4 hours

Linux Curriculum

Introduction to Linux	5 hours
The Linux File System	5 hours
Editing with VI	4 hours
Linux Shell Programming	4 hours
Linux Operations	4 hours
Linux on IBM Z Fundamentals	5 hours

Cloud Computing Curriculum

Cloud Computing for Data Centers	5 hours

Blockchain Curriculum

Blockchain Fundamentals	4 hours

Disaster Recovery Curriculum

Ensuring Data Center Business Continuity	3 hours

Data Analysis, Analytics and Machine Learning Curriculum

Big Data, Hadoop & Analytics	3 hours
Machine Learning and Spark	4 hours
